

Project Location:
Lynn, MA

Project Scope:
Renovations

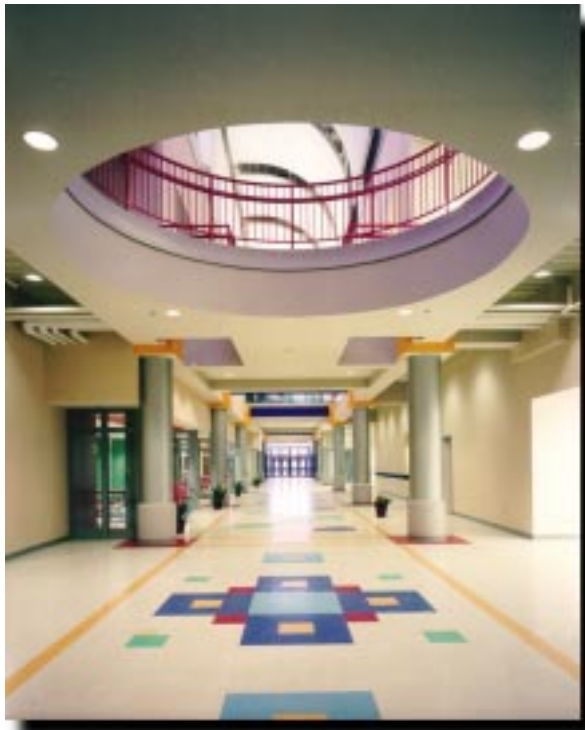

Building Size:
160,000 s.f.

Building Type:
Educational

CSS Architects developed construction documents, in conjunction with Drummey Rosane Anderson, Inc., the architect of record, for the renovation of an existing vacant office/warehouse building. The project provided educational space for specialized programs including culinary arts, graphics, cosmetology, and electronics, as well as general-purpose classrooms and science rooms.
