

Project Location:

Topsfield, MA

Project Scope:

Additions & Renovations

Building Size:

35,000 s.f.

Building Type:

Educational

The two-phase addition and renovation project for the Proctor Elementary School included a building addition to the classroom wing of the main building, interior renovations to the administrative offices, exterior renovations to the classroom wings and a major restoration to the Georgian Building. The goal was to create a cost-effective maintenance free addition that blends into the existing building design.
