

Project Location:
Brookline, MA

Project Scope:
Additions & Renovations

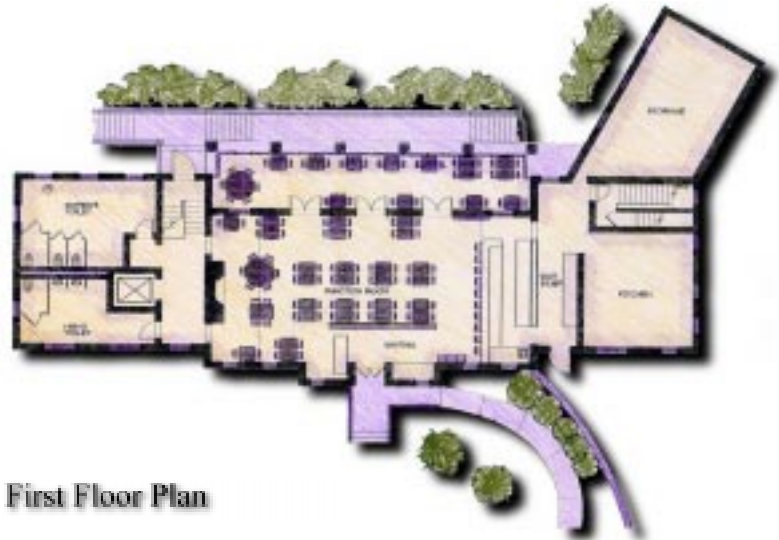

Building Size:
16,000 s.f.

Building Type:
Recreation

The Town of Brookline was in need of specialized service to master plan and update their present Golf Club facility. CSS Architects was selected to perform these services, which began with a master plan, due diligence report and concept design. The Recreation Department's mission is to upgrade the entire facility, relocate the Pro Shop and renovate the maintenance facility.
