

Project Location:  
Topsfield, MA

Project Scope:  
New Construction

Building Size:  
10,000 s.f.

Building Type:  
Municipal

The building provides offices, vehicle maintenance and equipment storage space for the DPW and the Water Department. While the building is custom tailored to the specific needs of the Town of Topsfield, the building's superstructure and exterior envelope were designed to allow pre-engineering building vendors to competitively bid the project.
